Canton Reverie SC109

THIS is a whimsical landscape of village life developed from early 19th Cent. East India Company Wallpaper. We have extended the subject matter into a full scenic in which the first and last panels connect. The original panels loaned to us from antique dealers had incomplete foliage at the top and panels that did not join as a continuous design.

THIS is a whimsical landscape of village life developed from an early 19th Century East India Company Wallpaper. The original panels, loaned by antique dealers, were incomplete with missing foliage and did not join. Dimonah expanded the scene into a full Scenic Decor, connecting the first and last panels in its present form.
