Patinir Landscape SC167

ACTIVE in Antwerp at the turn of the 16th Century, Joachim Patinir was a pioneer of landscape painting. Crafted entirely in our studio, the Decor is rich with references to Patinir's world and the artists in his circle, including Albrecht Dürer and Quentin Metsys. The composition and numerous details of plants and animals capture the naturalist sensibility of the Flemish Renaissance and the limpid skies that characterize the oeuvre of Patinir.
