DIGITAL CATALOGUE

Romantic Bosphorus SC136

THIS Decor was painted in our studio after a lithograph printed in the 1850s by the Maltese painter Jean-Giovanni Schranz. We decided to make a full “verdure”, omitting characters and simplifying the buildings. The result is a much greener and sparser Bosphorus than that of the time. However, the stunning nature and topography are very much present.

STANDARD SIZES *for THIS DECOR*

PANEL HEIGHT		TOTAL WIDTH		NB. OF PANELS
