Trellis Exotica SC137

THESE exotic trees and landscapes with intense birdlife are set in a Louis XIV Treillage which reminds us of the ones used in the gardens of Versailles. Many of the drawings used for the vegetation that we transformed to suit our purpose, are also of the period. This decor is infinitely more complex than anything you will see on a screen.

STANDARD SIZES *for* THIS DECOR

PANEL HEIGHT		TOTAL WIDTH		NB. OF PANELS
H225 cm	88 3⁄8"	810 cm	318 1⁄16"	9
